

April 3, 2020

Dear Church Family,

California remains under an indefinite stay-at-home order, and local leaders have been formally extending their public health orders until April 30th. As such, our church leadership would like to update you on the following:

- In-person Sunday worship services and all church ministries will continue to be cancelled through April 30th. For Sunday worship services, please worship with us via livestream at our [website](#). Children's ministry resources are available [here](#).
- Please join us for Good Friday worship service on April 10, 2020 via our [website](#).
- Online giving is now an available option. Please click [here](#) for instructions and to get started.
- Some ministry groups are using online video platforms to meet virtually during this time. Please contact your group leaders for more information.
- If you or a loved one are experiencing difficulties during this time—physically or spiritually—and need assistance, please let us know by completing this [form](#).

Leadership is monitoring updates regarding COVID-19 and will continue to discuss how to best serve and meet the needs of our church during this ever-changing time. We hope to find creative ways for our church to worship God; and connect, fellowship, and serve one another. Additional updates will be forthcoming.

"May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope." - Romans 15:13.

In Christ,

The Executive Board of Chinese Grace Bible Church
