

May 1, 2020

Dear Church Family,

Both the state of California and Sacramento County remain under stay-at-home orders. Sacramento County officially extended its stay-at-home order through May 22, 2020, with some restrictions relaxed. However, restrictions regarding physical gatherings at church have not changed. As such, our church leadership would like to update you on the following:

- In-person Sunday worship services and all church ministries will continue to be cancelled through May 31st. For Sunday worship services, please worship with us via livestream at our [website](#).
- VBS 2020, which normally takes place in June, has also been cancelled.
- Mother's Day on May 10, 2020: We will have three separate worship services via livestream at our normally scheduled times.
- Online giving is an available option. Please click [here](#) for instructions and to get started.
- The Executive Board is continuing to meet on the first Saturday morning of each month as usual, unless otherwise noted.
- If you or a loved one are experiencing difficulties during this time—physically or spiritually—and need assistance, please let us know by completing this [form](#).

Leadership is monitoring updates regarding COVID-19 and will continue to discuss how to best serve and meet the needs of our church during this time. Please pray for unity and wisdom as we strive to submit to the government, love our neighbor, and prioritize the gathering of the church to worship. Additional updates will be forthcoming.

In Christ,

The Executive Board of Chinese Grace Bible Church
