

May 30, 2020

Dear Church Family,

Both the state of California and Sacramento County remain under stay-at-home orders, but now allow places of worship to gather for in-person services with additional precautions and limitations. We understand that many will need to be cautious about gathering. As such, our church leadership would like to update you on the following:

- In-person Sunday worship services and all church ministries will continue to be cancelled until further notice. For Sunday worship services, please worship with us via livestream at our [website](#).
- Leadership is actively discussing how to safely and wisely resume in-person services, and is developing a plan with the necessary safety precautions and procedures in place.
- Services will continue to be live-streamed for those that may need to be more cautious about gathering, even after we begin to resume limited in-person services.
- The Executive Board is continuing to meet on the first Saturday morning of each month as usual, unless otherwise noted.
- If you or a loved one are experiencing difficulties during this time—physically or spiritually—and need assistance, please let us know by completing this [form](#).

Please pray for unity and wisdom as we strive to submit to the government, love our neighbor, and prioritize the gathering of the church to worship. Additional updates will be forthcoming.

In Christ,

The Executive Board of Chinese Grace Bible Church
