Subject: CGBC Sunday services to reopen on July 12

Dear Church Family,

After many weeks of not being able to gather in person, we are excited to announce that we are tentatively planning to resume services on July 12. Also, small groups and ministries of 10 or fewer people who are not at-risk may now meet outdoors or in homes at their own discretion while following all public health guidelines. The leadership will continue to monitor the situation in case there is a spike in new cases which may require us to delay resuming services. We believe this reflects a slow and cautious approach while also recognizing the priority of gathering together as a church family. We know many are still concerned and cautious about gathering in person, so we will continue livestreaming services for those who wish to stay at home.

We will be giving more information in the coming weeks about various restrictions and changes for the services, including modified service times and how to RSVP so we can stay under the maximum capacity. For more details regarding our plans to resume services, please see our [CGBC Reopening Plan](#). If you have any further questions, please contact the church by emailing [office@chineseGraceBibleChurch.org](mailto:office@chineseGraceBibleChurch.org).

In Christ,  
The Executive Board of Chinese Grace Bible Church
