

# Worship And Transformation Time

Hi WATT!

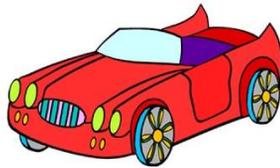

August already! Hard to believe. Hope you are having a good summer and enjoying some new adventures. I miss going on out of town trips and exploring new places so I am going for walks in my neighborhood instead. I have seen lots of people out walking in the morning and evening. Many of them with dogs or babies. It's kind of fun.

Here's an idea-. go for an "I spy" walk with your family and initial the things you see. Whoever finds the most first "wins"!
