

# Worship And Transformation Time

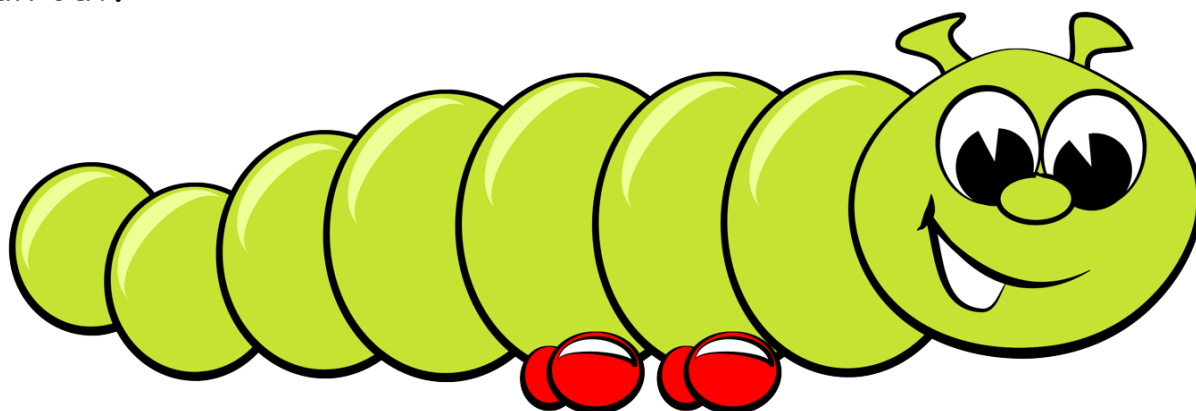

March 2021  
PART 2

Hi WATT-ers!

I hope you are continuing to read Matthew in our Bibles. We'll continue to write out the passages and a question for each day. Something new- we have prizes for memorizing the verses at the top of your Bible reading pages. Catch me to recite and be rewarded. Of course living out the truth in those verses is way more valuable than any prize!

In this month's verses, Jesus reminds us that loving Him and serving others sincerely from our hearts is more important than other things in the world. This will not always be easy. Sometimes it will be hard and we are treated wrongly or unfairly. But God tells us that it is important to watch and pray- no matter how much trouble comes He can handle it- we can talk to him about it. These verses encourage us to keep on praying- to put our hope in God and focus on His Glory. God loved us enough for Jesus to die for our sins. His love is real love and will never run out.
