

Worship And Transformation Time

Hi WATT-ers!

It's Spring! Did you get outside to enjoy our warm weather! We miss you and hope you and your family are doing well.

Having to stay home and not getting together with friends is hard. We all need encouragement. This week the next page is blank. Please use it to draw a picture or write a letter to encourage someone else. Ask your parents to help you think of a relative, friend, teacher, neighbor, or someone else you can pray for and send your greeting to by email or postal mail. If you want to write to someone in our church (maybe a grandparent or senior who is alone) but don't know who or their address check the church directory or mail it to "WATT Teachers", CGBC, 6656 Park Riviera Way, Sacramento, CA 95831. I will get the letters and pictures and send them on for you. That's what being a family is all about!

1 Thessalonians 5:11 "Therefore encourage one another and build each other up, just as in fact you are doing."
