

# Worship And Transformation Time

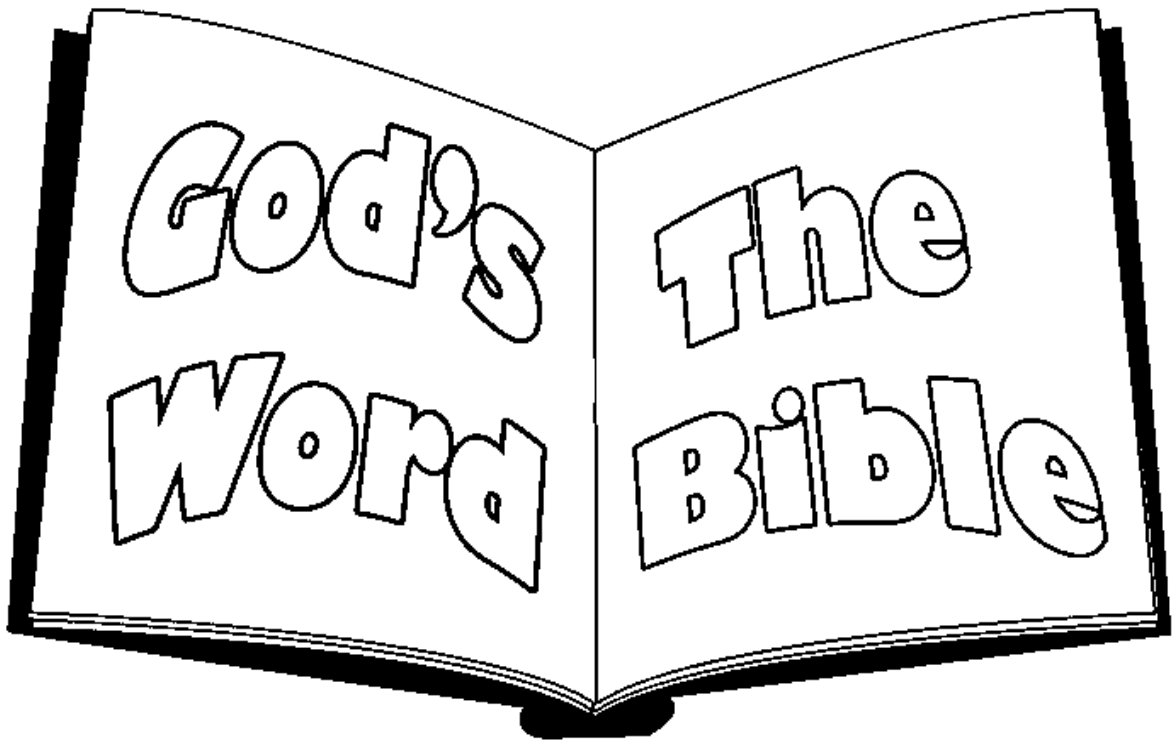

Welcome to Watt!

I hope you are enjoying the Children's Sunday School videos with the Law Family and friends each week. I had fun and learned some new things as I watched them. There will be more new Sunday School material posted on the Church Website soon. Please join us as we learn Bible truths and lessons to use in our daily life.

Today's Virtual WATT will include a summary of the May Quiet Time Bible verses and topics from the I Love Jesus and Sena booklets. After this one, there will not be a Virtual WATT every week but it will be back at least monthly when the new books come in. In the mean time, let's enjoy the new Sunday School lessons together.
