

Worship And Transformation Time

Hi WATT!

Have you been reading along with us in Romans... some of it is pretty deep but I think it's clear that nothing we do saves us- it is our accepting God's GIFT of Jesus dying on the cross to pay for our sins that saves us. God has already done the work; we need to believe and put our faith in Him.

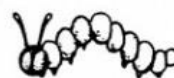

We're coming to Romans 12- this is where we got the name "WATT"- Worship and **TRANSFORMATION** Time. Again, it's God who does the transforming. Our job is to trust and obey. It sounds easy but I know sometimes it's hard. Just keep on-

Do not be conformed to
this world,

but be transformed by the
renewing of your mind.
