Dear WATTers,

The terrible news reports about the war in Afghanistan make us sad. Families are living in danger and fear as their world is turned upside down. But God is still in control. He loves and will not give up on the Afghan people. He is their hope. We can all look forward to a future day when God will restore hearts (Ezekiel 36:26) and cause the nations to walk in peace (Zechariah 9:10). Let's pray for the Afghan people.
